April Urban began her career at Community Choice Credit Union in 2015 and is currently a Home Equity Specialist. In this position, she educates members on home equity products and assists them with finding the best solution for their financial needs.

Prior to joining the Lending Team as a Lending Processor, where she was able to expand her knowledge of consumer lending, April gained an appreciation for helping members during the nine years she worked as a Member Service Representative.

April attended Northwood University, earning her Bachelor's Degree in Business Management.

It is a goal of April's to ensure that members receive the best financial product to meet their needs, while also having a great member experience.

"The best thing about Community Choice is that we are dedicated to investing in the communities and members we serve. We do this with our Give Big efforts, and with our products and services that help the member become financially successful."
