Amanda Harris has been with Community Choice Credit Union since 2016 and has recently become a Mortgage Consultant. She began her career with Community Choice as a Personal Advisor, transitioning to the Lending Department as a Home Loan Processor in 2018.

Amanda gained experience working in the mortgage field prior to joining Community Choice. She worked as a Mortgage Processor for two years, expanding her knowledge on the different types of mortgages and which type of loan is best for each individual.

Amanda attended Baker College of Muskegon, where she obtained an associate degree in Human Services.

Whether you're filling out an application or simply interested in learning more about our mortgage process, Amanda is committed to helping you achieve financial success and the life you desire.

"What I love most about Community Choice Credit Union is our dedication to help our members with anything they may need. We truly care about the people and communities we serve, and I'm happy to help members save money!"
