Jason Cottrell has been with Community Choice Credit Union since the beginning of 2022, and has already made a huge impact on members. Coming in as a Home Equity Specialist, Jason's responsibilities include educating members on different home equity products, recommending a loan that is applicable to their needs, and gathering financial information to suggest a credit extension to credit analysts.

Jason graduated from high school in Brighton, MI, attended Western Michigan University, and completed his Bachelor's Degree in Finance from Cleary University. Prior to joining Community Choice Credit Union, Jason has worked in the banking industry for many years, gaining experience in assisting members with finding the right loan that is best suited for the current stage they are at in life.

Jason is enthusiastic to work with members, and is committed to reconstructing their finances to save them from massive debt. Jason's education, experience, and passion will help members find the right product for their financial situation.

"I want members to feel confident when they reach out to me, and know I will do whatever it takes to meet their financial needs. I will always put the interest of the member first!"
