Keri Fall joined Community Choice Credit Union in 2007 and is currently a Mortgage Consultant. She quickly transitioned into her new position from Home Equities after two years, and has a full understanding of lending. Keri's responsibilities include originating mortgages and assisting members with their home buying experience or possible finance.

Keri has had many roles at the Credit Union, expanding her knowledge in various financial areas. Before becoming a Home Equity Specialist, Keri's roles included Personal Advisor, Card Specialist, Loan Processor, and Lending Contact Center Advisor.

Keri attended Wayne County Community College and transferred to Wayne State University. She has an Associate Degree in Applied Science.

Keri looks forward to building relationships with members, and she enjoys saving them time and money. It is a goal of Keri's to listen and offer solutions while remaining credible and transparent. She is committed to providing members with the best opportunities that best fit their needs.

**"I am excited to help members with possibly the largest transaction they may possibly make and being a part of the home buying process. I am dedicated to helping the member achieve financial success and in having a great member experience."**
