Rebecca Bryant is a Home Equity Specialist, and is proud to say that she has been a part of the Community Choice Credit Union Team for 20 years. Her current responsibilities include assisting homeowners with tapping into the equity of their home for various reasons. Whether they are looking to improve their home or consolidate debt, she helps them to achieve their goals.

Beginning her journey as a personal advisor, Rebecca has gained experience in a variety of departments, but has been a part of Lending since 2008. More recently, she worked as a Lending Contact Center Advisor for five years, expanding her knowledge and expertise on the products and services the credit union has to offer.

Rebecca is passionate about the work she does, and is excited to help members obtain the life they desire and deserve. It is a goal of hers to look at every possible option with the member so they can apply for the loan that is best suited for their needs. Rebecca will guide them every step of the way and make this journey as simple as possible!

“I love working for Community Choice, because we share the same desire to help our members be successful in life. I will always make the member feel comfortable and keep them informed through the whole process!”
