616.862.0546

Brent joined Community Choice Credit Union in 2015 and serves as a Vice President of Commercial Lending, bringing with him 13 years of experience in the financial industry. In his current role, he is responsible for business development and loan production, primarily focusing his expertise on the west side of Michigan.

Prior to joining the Community Choice team, Brett developed his knowledge and experience, working as a Commercial Loan Manager and with commercial credit.

Brent earned his B. A. Degree in Finance from Grand Valley State University and his Certified Credit Union Executive designation from CUNA Management School.

He is committed to helping businesses become successful. Let Brent help you and your business!

“What sets Community Choice Credit Union apart from other financial institutions is our dedication to our members. Our business borrowers are important to us and we want to provide them with the financial resources that will make them successful in the future.”

-Brent Lowell
