Telephoning is the best way of keeping Your possible losses down. You could lose all the money in Your Accounts (plus Your maximum overdraft line of credit). If You tell Us within two Business Days, You can lose no more than \$50 if someone used Your password without Your permission. If You do NOT tell Us within two Business Days after You learn of the loss or theft of Your password, and We can prove that We could have stopped someone from using Your password without Your permission, You could lose as much as \$500. Also, if Your statement shows transfers that You did not make, tell Us at once. If You do not tell Us within 60 days of the date We mail a periodic statement to You, You may not get any money You lost

after the 60 days if We show that We could have stopped someone from taking the money if You would have told Us in time. If a good reason (such as a long trip or a hospital stay) kept You from telling Us, We will extend the time periods. You will be responsible for any bill payment request you make that contains an error or is a duplicate of another bill payment. We are not responsible for a bill payment that is not made if you did not properly follow the instructions for making a bill payment.

7. Contact in Event of Unauthorized Access

If You believe Your password has been lost or stolen or that someone may or has fraudulently accessed Your Account without Your permission, contact the Credit Union by phone 877.243.2528, or write Community Choice Credit Union, 31155 Northwestern Highway, Farmington Hills MI 48334 or contact Us via secure messaging.

8. Information about e-Statements and Electronic Transaction Notifications

You agree to receive your monthly statements and transaction notices in electronic form through e-Banking. You must present a valid email address to receive notice that your e-statement or Electronic Transaction Notices are available. Your e-Statement and Electronic Transaction Notices will be made available through e-Banking if a valid email address is not provided; however, no notice of availability will be sent or received if the information you provide is incorrect or out of date. You agree to pay a fee as outlined in our fee schedule for any duplication of a record you have previously received electronically. You may choose to receive your monthly statements in a non-electronic form at any time by contacting the credit union at 877.243.2528 and requesting an e-Statement opt out form. There is no fee for receiving your statements in a non-electronic form or for withdrawing from e-Statements and Electronic Transaction Notices. You also agree to receive Electronic Transaction Notices via email or text message for transactions that occur on Your Account with Us. Electronic Transaction notices are an optional service that you can enroll in or opt out of at any time. We may, at times, send you transaction notices about your account that vary from what you have enrolled for. These are provided as enhancements to the transaction notice service. You must present a valid email address to receive electronic notices via email. To receive text messages a valid phone number with text messaging capabilities must be used at enrollment. Standard text messaging rates, as outlined by your phone provider, apply.

9. Information about Bill Payment

You can pay bills either on an automatic recurring basis or periodically as You request. You must designate which of Your Accounts will be used for Bill Payments. To use e-Pay, You will provide Us with the correct name and address of the Payee, Your Account number with that person and any other information We require to properly debit Your designated e-Pay Account with Us and transmit your payment to the Payee. You agree to allow the number of days to process as indicated by the Processing Date for each Bill Payment. You also agree that Your Account will have sufficient Account Balance on the Processing Date to cover the transfers requested as well as any other payment obligations you have to Community Credit Union. We reserve the right, without liability, to reject or reverse a bill payment if you fail to comply with the above requirement or any other term of this Agreement. If you do not have sufficient funds in the account and we have not exercised our right to reverse or reject a bill payment,

you agree to pay for such payment obligations on demand. You further agree we, at our option, may charge any of your accounts with Community Choice Credit Union to cover such payment obligations. Non-Sufficient Funds Fees may also apply. If Your Account number or any other information changes, or if You wish to add or delete Payees, You must enter all such designations and changes in the appropriate fields through the Bill Payment application prior to the Processing Date. You authorize Us to make all changes submitted by You or any other person having access to Your password and Account information. Bill Payments are processed either through an electronic transmission to the Payee or by an electronic withdrawal from Your Account followed by Us mailing a paper check to the Payee. Payees who receive electronic delivery will receive Your Bill Payment information, including Your Account number with the Payee, through a secure network. All of Our paper checks are sent through the U.S. mail to the Payee. There is an exception to this procedure - If You designate a requested transaction as a "rush payment," "gift check," or "charitable donation" (it is Your option whether to do so) and a paper check is used, the funds will not be debited from Your Account until the check has actually been presented to Us for payment. This means that the balance shown for Your Account if You check it electronically won't reflect the deduction of these items even though the check has been mailed. You agree to keep this in mind when checking Your Account balance to determine the funds You have available. Payments made by check are generally received and credited by most Payees within five to seven Business Days. If We receive any Payment Instructions from a Payee, We may follow those instructions, to help ensure that the Bill Payment is received by the Payee and promptly credited to Your Account. The system will calculate the Estimated Arrival Date of your payment, this is only an estimate, please allow ample time for you payments to reach your "Payees.

11. Processing Date for Bill Payment

In order to ensure that Your Bill Payment will be received by the due date You specify during Bill Payment set-up, Bill Payment Account collected funds must be available on the Processing Date. This is generally five to seven Business Days prior to the due date. Your Account will be debited on the Processing Date. If Your Account does not have sufficient Account Balance, We will attempt to process the Transaction on the next Business Day. The Transaction is canceled after the second failed attempt and You must re-enter the Transaction.

Single Payments – a single payment will be processed on the business day (generally Monday through Friday, except certain federal holidays) that you designate as the payment’s process date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, which is controlled by Community Choice Credit Union, is currently 4:00p.m. We reserve the right to change the cut-off time. You will receive notice if it changes.

Recurring Payments - When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment’s “Pay Before” option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
- If the recurring payment’s “Pay After” option is selected, the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date. Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.

12. Prohibited Bill Payment and Service Limitations

Payments may be only be made to Payees with a United States address. The maximum permitted Bill Payment amount is \$9,999.99 per Transaction. We reserve the right to refuse to pay any merchant or other person to whom You may direct a Bill Payment. We are obligated to notify You promptly if We decide to refuse to pay a Payee. This notification is not required if You attempt a Bill Payment amount in excess of \$9,999.99 or attempt to pay a Payee that does not have a United States address.

13. Processing Date for Funds Transfer.

We can process a Funds Transfer on the same Business Day as Your instructions, provided the system is available. If the system is unavailable at the time, Your instruction will be processed on the next available day.

14. Funds Transfer Limitations

You may transfer collected funds through e-Banking in any amount between \$.01 and \$999,999,999.99, subject to funds availability. Under federal regulations, You may make no more than six Funds Transfers

and telephone transfers, including e-Banking Transactions, per month from Your share savings Account or money market deposit Account. Of these six Transactions, each Funds Transfer from Your share savings Account or money market share Account is counted as one of the six limited transfers You are permitted each month. However, payments to Your loan accounts with Us are not counted toward this limit for share savings and money market deposit accounts.

15. Cancellations

You may cancel or edit a pending Funds Transfer or Bill Payment, until such time that the Transaction is processed, by selecting and accurately completing the appropriate fields from within the Bill Payment application. If We do not receive Your complete and accurate instruction canceling or editing a Bill Payment prior to such times, We will process the Transaction. This section applies to a recurring or a one-time Transaction.

16. Overdrafts

When You schedule a Funds Transfer or Bill Payment using e-Banking or Bill Payment, You authorize and are requesting Us to withdraw the necessary funds from Your Account with Us and make payments for You from Your Account. We debit the amount of Your Funds Transfer on the Business Day You instruct Us to process the Funds Transfer between Your Accounts. Each instruction to Us to withdraw or transfer from an Account is an order to Us to pay from that Account on the specified Processing Date. We debit the amount of Your Bill Payment from Your Account on the Processing Date, which is generally five to seven days prior to the due date. If we are unable to complete the transaction for any reason associated with Your Account (for example, there are not sufficient funds in Your Account to cover the transaction), the transaction may not be completed and a fee may be assessed.

We may charge Funds Transfers and Bill Payments against the Account even though the charge creates an overdraft. In some instances You will receive a return notice from Us. If such a charge creates an overdraft, You agree that a non-sufficient funds (NSF) fee will be charged in accordance with the Our established and published service fees. Further, You also agree that a NSF fee may be charged to Your account even if the payment is not returned but is paid and overdraws Your Payment Account. If You overdraw Your Account, You agree to immediately pay Us the overdrawn amount together with any applicable fees. If the Account is maintained in connection with an overdraft plan, any overdraft will be made in accordance with the agreement or rules governing that Account rather than this Agreement. By enrolling for and using this Bill Payment and e-Banking Service You agree that We have the right to collect funds from all of Your Accounts to recover funds for all payments that have been requested to be paid by You and Your authorized user; this includes accounts on which You are the primary member-owner, as well as accounts on which You are the joint owner. We may not collect any funds from Individual Retirement Accounts or any other accounts permitting tax deferrals or providing other tax benefits under state or federal law.

17. Fees

You authorize Us to charge You service fees identified in Our current fee schedule and it may be amended by Us from time to time. You are responsible for any and all telephone access fees or Internet service fees that may be assessed by Your telephone and/or Internet service provider.

18. Our Liability For Failure to Process Funds Transfer or Bill Payment
