

Enroll in e-Banking on your desktop!

When you're ready to enroll, you'll want to have your membership card. The FME Transition Guide you received will also provide helpful information.

1. Go to www.CommunityChoice.com to sign up for e-Banking.
2. In the top right-hand corner, click on "Login."

3. A pop-up window will appear. Click on "Enroll in e-Banking."

The screenshot shows a pop-up window titled "e-Banking" with a close button in the top right. It contains a "Login ID" input field, a "Password" input field, and a "Login" button. Below these are links for "Forgot Password", "Enroll in e-Banking" (circled in red), and "Help and Resources".

4. Complete the request fields with the primary member's information. Click "Continue."

The screenshot shows the "e-Banking Enrollment" form with the following fields: Member Number, Last Name, Date of Birth, Social Security Number, Zip Code, and Requested Username. At the bottom right, there are "Back to login" and "Continue" buttons, with "Continue" circled in red.

5. As you enroll, you'll be able to choose your Login ID and password. To set your new password, follow these security requirements:

- 10 characters long
- Contains at least 1 number
- Contains at least 1 upper case character
- Contains at least 1 special character

The screenshot shows the "Password" creation screen with an "e-Banking Tip" icon. It prompts the user to "Please set your new password:" and features a password input field with a strength indicator, a "Confirm New Password" field, and a "Continue" button circled in red.

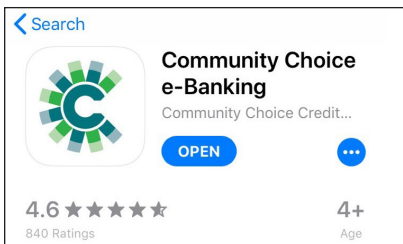

6. A pop-up window will appear, saying "Congratulations! You've been enrolled in e-Banking." Click "Continue," and you will be brought to your e-Banking Home Page.

Note: When you log into e-Banking from a new device (computer, smartphone, tablet) you will be asked where to send a Secure Access Code. By "registering" the device, you will be able to log into e-Banking without having to enter a Secure Access Code again.
