

Community Choice Foundation Gives Away 3,200 Backpacks Statewide from July 27 – August 10

Farmington Hills, Mich., July 20, 2023 - Community Choice Foundation is maintaining its back-to-school tradition by giving free backpacks and school supplies to 3,200 students throughout Michigan. A total of 400 backpacks will be given away at eight different locations, mainly Community Choice Credit Union member centers, between July 27 and August 10.

Each backpack will contain such supplies as pencils, notebooks, glue sticks, crayons, rulers and more. The backpack and supplies will help students get ready for the upcoming school year. There is no purchase necessary but each child that needs a backpack must be present to receive one.

Community Choice Foundation is the charitable arm of Community Choice Credit Union. The foundation supports schools, students and teachers around the state in a variety of ways, from providing scholarships to colleges, trade schools and for continuing education each spring, to giving teachers and students resources and supplies designed to help them be successful in their classrooms.

Members and local residents who would like to donate to Community Choice Foundation to help support such efforts can do so by ordering a few things off of our Wish List, making a financial donation, or signing up to volunteer at **CommunityChoiceFoundation.org** or call us at **877-243-2528 x2460**. The full list of backpack giveaways is listed below. Each giveaway will be held at a Community Choice Credit Union member center unless otherwise noted.
