

## **Community Choice Credit Union opens its 24<sup>th</sup> statewide member center in Commerce Township**

Commerce Township, Mich., April 18, 2023 – Community Choice Credit Union has opened its 24th member center, and second in less than two months, in Commerce Township effective Monday, April 17.

The new, 3,300-square-foot member center mimics the features of Community Choice's recently opened member center in Farmington Hills, including an open-concept layout that provides convenience and more accessible choices for members.

The Commerce Township Member Center at 39440 W. 14 Mile Road features state-of-the-art technologies including self-service options. Community Choice team members and financial counselors are also available to support members' needs. Members can enjoy a free coffee bar and informal lounge area while waiting. This new member center further cements Community Choice's growing presence throughout the region and across Michigan.

According to Member Center Manager Jeff McGowan, support for the new member center in Commerce Township has been overwhelming.

"We have numerous members who live or work nearby, and this provides another convenient option for them to do their banking," he says. "It's also an ideal location in a densely populated area that will further expand our brand."

Community Choice purchased the property in 2022, the site of a former Huntington Bank branch location. It will employ six full-time team members.

Additional amenities of the Commerce branch include:

- 24-hour walk-up ATM
- Coin counter machine for member use free of charge
- 24-hour deposit drop box on the building's exterior, ideal for businesses in need of after-hours service
- Ample space for discussing personal and business transactions or to sit down and discuss financial advice or advanced account services
- Coming this summer: Interactive teller machines (ITMs) that allow members to video chat with a live advisor from the comfort of their car

More information will be provided in the weeks ahead on an official grand opening and any ribbon-cutting activities. The Commerce Township location will host member events and activities at various points throughout the year. Learn more by visiting [www.communitychoice.com](http://www.communitychoice.com).
