Work to Begin on New Community Choice Member Center in Roseville

Farmington Hills, Mich., Dec. 29, 2020 – Community Choice Credit Union has begun construction on a building it purchased earlier this year located at the corner of 13 Mile Road and Little Mack Ave. in Roseville. The building will be the home to a new, 3,000-square-foot member center.

The location is especially convenient for members who live in St. Clair Shores and Roseville.

“We are so excited about relocating the member center! It’s just a little over a mile away from where we are now in St. Clair Shores, so it will be convenient for our existing members, as well as anyone in the neighboring communities who is interested in joining Community Choice. Since it is located in the middle of shopping and restaurants, and near the I-94 and I-696 freeway exits, as well as several surrounding neighborhoods, it’s just a perfect location,” said Nicole Zimmerman, St. Clair Shores Member Center Manager. “The entire team is making the move from our current St. Clair Shores location and is looking forward to welcoming everyone to the new space.”

The new member center will feature an open concept layout, ideal for fostering member relationships while still maintaining social distancing. It will provide a walk-up ATM and other extras, such as a cash recycler, which speeds up transaction times and ensures accuracy when handling large cash deposits and withdraws, a self-serve counting machine, and night deposit drop.

Community Choice Credit Union has 21 member centers and a 24/7 member contact center that serves its more than 106,500 members. The new Roseville location, along with those in Eastpointe, Shelby Township, and Warren, make up the Macomb County locations.

The plan is to have construction wrapped up so that the member center can open by April 2021.

The credit union is selling the building located on Harper Ave. near 12 Mile Road in St. Clair Shores.
